Whistleblowing Policy

New World Development Company Limited

1. Introduction:

New World Development Company Limited (the “Company”) and its subsidiaries (collectively the “Group”) are committed to achieving and maintaining the highest standards of openness, probity and accountability. Employees at all levels are expected to conduct themselves with integrity, impartiality and honesty. It is in all interest of the Group to ensure that any inappropriate behaviour or malpractice that compromise the interest of the shareholders, investors, customers and the wider public does not occur. It is also critical to maintain a good corporate image and raise the standard of corporate governance of the Group.

To this end, the Company has devised a Whistleblowing Policy (the “Policy”) so that employees of the Group as well as relevant third parties (e.g. customers, suppliers, subcontractors, etc., who deal with the Group) (“Third Parties”) can raise concerns, in confidence, about misconduct, malpractice or irregularities in any matters related to the Group. The Company also ensures that proper arrangements are in place for the fair and independent investigation of such matters and for appropriate follow-up action.

2. Purpose:

The purpose of formulating the Policy is to enhance the awareness of corporate governance and it constitutes an important part of the effective internal control and risk management system. It also provides employees or relevant Third Parties with reporting channels and guidance on whistleblowing.

The term ‘whistleblowing’ refers to a situation where an employee or a relevant Third Party decides to report serious concerns about any malpractice, which he or she has become aware of or genuinely suspects that the Group has been or may become involved in. The Policy is also designed to encourage employees to raise serious concerns internally, without fear of reprisal or victimization, in a responsible and effective manner. The content of this Policy is applicable to all employees of the Group in Hong Kong or outside Hong Kong.

3. Policy:

This Policy is intended to assist individual employees (permanent or temporary) or relevant Third Parties to disclose information on suspected misconduct, malpractice or irregularity through a confidential reporting channel. It is not designed to further any personal disputes, question financial or business decisions taken by the Company nor should it be used to reconsider any staff matters which have been addressed under the grievance procedure already in place. Whistleblowing matters may include but are not confined to:

- (i) Breach of legal or regulatory requirements;
- (ii) Criminal offences, breach of civil law and miscarriage of justice;
- (iii) Malpractice, impropriety or fraud relating to internal controls, accounting, auditing and financial matters;
- (iv) Endangerment of the health and safety of an individual;
- (v) Damages caused to the environment;
- (vi) Violation of rules of conducts applicable within the Company or those of the Group;
- (vii) Improper conduct or unethical behaviour likely to prejudice the standing of the Company;
- (viii) Bribery or corruption; and/or
- (ix) Deliberate concealment of any of the above.

4. Protection:

It is the Company's policy to make every effort to treat all disclosures in a confidential and sensitive manner after an employee or a relevant Third Party reports concern about any of the above matters. The identity of the individual employee or relevant Third Party making genuine and appropriate allegation under this Policy is assured of fair treatment. In addition, employees are also assured of protection against unfair dismissal, victimisation or unwarranted disciplinary action, even if the legitimate concerns that are raised turned out to be unsubstantiated.

The Company reserves the right to take appropriate actions against anyone who initiates or threatens to initiate retaliation against those who have raised concerns under this Policy. In particular, employees who initiate or threaten retaliation will be subject to disciplinary actions, which may include summary dismissal. Management will support all employees and encourage them to raise legitimate concerns without fear of reprisals.

5. Confidentiality:

The Company will make every effort to keep all whistleblowing reports and identities of employees and/or Third Parties who have made reports confidential.

There may be circumstances, because of the nature of the investigation or the nature of the concerns raised, in which it will be necessary to disclose the identity of the employees and/or Third Parties who have made the report as required by law or regulatory obligations.

In order not to jeopardise the investigation and any follow-up actions, employees and/or Third Parties who have made reports are also required to keep confidential all information about and related to the report, including the fact that a report has been filed, the nature of the concerns, the identities of those involved and any other information that the Company has shared in the course of handling the report.

6. Reporting Channel:

Employees of the Group or relevant Third Parties who have legitimate concerns can report to Group Audit and Management Services (“GAMS”) Department of the Company through the following channels:

- (i) In writing to GAMS Department:
Attn: “General Manager, Group Audit and Management Services”
Address: 29/F, New World Tower 1, 18 Queen’s Road Central, Hong Kong
In a sealed envelope clearly marked “Strictly Private and Confidential – To be Opened by Addressee Only”; or
- (ii) By email to groupinternalaudit@nwd.com.hk.

Any business units in receipt of a report alleging any of the above types of misconducts, malpractices or irregularities shall redirect the report to GAMS Department, which will handle such report in the same manner as stipulated in this Policy.

We acknowledge that some of the business units of the Group may have their whistleblowing communication channels whereby the reported cases are directed to the respective internal audit teams maintained under the business units concerned. For clarification purposes, all such reported whistleblowing cases will also be channelled to GAMS on regular basis, based on which the reported cases will be reviewed and reported to the Group Audit Committee and Senior Management when and where appropriate.

7. Supporting Documentation:

Disclosures can be made in writing or by using the standard form (Whistleblower Report Form) attached as Annex I to this Policy.

While the Company does not expect the whistleblower to have absolute proof or evidence of the misconducts, malpractices or irregularities reported, the report should show clear reasons for the concerns and full disclosure of any relevant/material information to the extent possible (including names involved, event details, reasons of concerns etc.) and supporting documentation (if any).

The whistleblower should make the report in good faith and exercise due care to ensure the accuracy of the information in making an allegation.

8. Investigation:

GAMS Department will evaluate the validity and relevance of the concerns raised, and to decide if the reported matter falls under Section 3 above and so an investigation is necessary. The format and the length of an investigation will vary depending upon the nature and particular circumstances of each report made. The matters raised may be:

- (i) investigated internally;
- (ii) investigated by external professional party;
- (iii) reported and referred to the Audit Committee;
- (iv) reported and referred to the Senior Management of the Group;
- (v) referred to the external auditors;
- (vi) referred to the relevant public or regulatory/law enforcement authorities; and/or
- (vii) form the subject of any other actions as the Audit Committee may determine in the best interest of the Group.

The objective of an investigation is to evaluate whether concerns are substantiated by examining information relating to the allegation and to allow the Group to take proper subsequent actions as appropriate from an objective and impartial result. During the investigation, GAMS Department may seek advice and/or assistance from professionals such as lawyers, external auditors, etc., where appropriate.

During investigations, GAMS/other authorized professionals may need to contact the employees/Third Parties for further information. They are requested to cooperate with the investigation, including by making themselves available for interviews as required. They are required to preserve the strict confidentiality of the fact of the investigation and the content of any interviews/communications in relation to the investigation (except as required by law or regulatory authority).

Employees who are found to have breached the Company's Code of Conduct/policies will be subject to disciplinary actions, which may include termination of employment. In cases of suspected corruption or other criminal offences, a report will be made to the appropriate authorities, as considered appropriate.

9. False Reports:

All reports must be made in good faith. If the whistleblower makes a false report maliciously, with an ulterior motive, or for personal gain, the Company reserves the right to decline/discontinue investigation, and to take appropriate actions against the whistleblower to recover any loss or damage as a result of the false report. In particular, employees may face disciplinary action, including dismissal, where appropriate.

10. Anonymous Reports:

The Company accepts anonymous report and respects such need from the whistleblowers but an innominate allegation will be much more difficult for the Company to follow up because the Company will be unable to obtain further information from the whistleblowers and make a proper assessment.

Since the Company takes reporting of misconducts, malpractices, and irregularities seriously and wants to conduct warranted investigations of both potential and actual violations, it is encouraged that whistleblowers identify themselves when reporting. Concerns expressed anonymously may be investigated, but due consideration will be given to the following factors:

- (i) sufficiency and validity of the information offered;
- (ii) seriousness of the concern;
- (iii) credibility of the concern; and
- (iv) likelihood of confirming the concern from identifiable sources.

11. Record Retention:

Records shall be kept for all reported misconducts, malpractices, and irregularities by the relevant parties in the Group. In the event a reported irregularity leads to an investigation, the party responsible for leading and/or conducting the investigation shall ensure that all relevant information relating to the case is retained, including details of corrective action taken for at least 7 years (or whatever other period may be specified by any relevant legislation).

12. Implementation and Review of the Policy:

The Audit Committee has overall responsibility for implementation, monitoring and periodic review of this Policy. The Audit Committee has delegated the day-to-day responsibility for administration of the Policy to GAMS Department.

If there are any questions about the contents or application of this Policy, please contact GAMS Department by email to groupinternalaudit@nwd.com.hk.
